Warranty Terms & Conditions

Warranty

- This warranty extends to the original purchaser only and is not assignable or transferable.
- This warranty shall not apply to any product that has been subject to improper maintenance, misuse, abuse, negligence, or accident.
- This warranty shall not apply to normal wear and tear of the product(s) or services.
- This warranty shall not apply to any systems, material or parts not worked on or supplied by MPR.
- This warranty shall not apply to defects in material valued less than \$250.00.
- Scheduled maintenance must be performed as per OEM specification, or to Class 1 Railroad Standards and sufficiently documented and such documentation must be made available for inspection with any warranty claim. All warranty claims must be made in writing.
- MPR will not be responsible for any costs incurred for removal, shipping, and reinstallation of the defective product(s) covered under the warranty unless originally supplied and installed directly by MPR.
- This warranty shall not cover replacement material (outside, after, or before MPR scope of repairs) caused by defective labor unless failure occurs during initial run-in or testing.
- If “major component only” is indicated on the warranty section of the quotation form, than this warranty shall apply only to major locomotive components. These components shall be limited to the engine, generator, air compressor, traction motors, and air compressor.
- The warranty shall not apply to consequential or incidental damages, loss of time, inconvenience, or commercial loss.
- This warranty shall remain in effect for one year after the merchandise is shipped, unless specified otherwise in the sales order.
